NIPPON EXPRESS USA, INC.

NEU Solutions Cargo Intelligence Export (WEBSLI)

www.mynipponexpress.com

Cargo Intelligence Export (WEBSLI) is online shipping order entry system available 24/7.

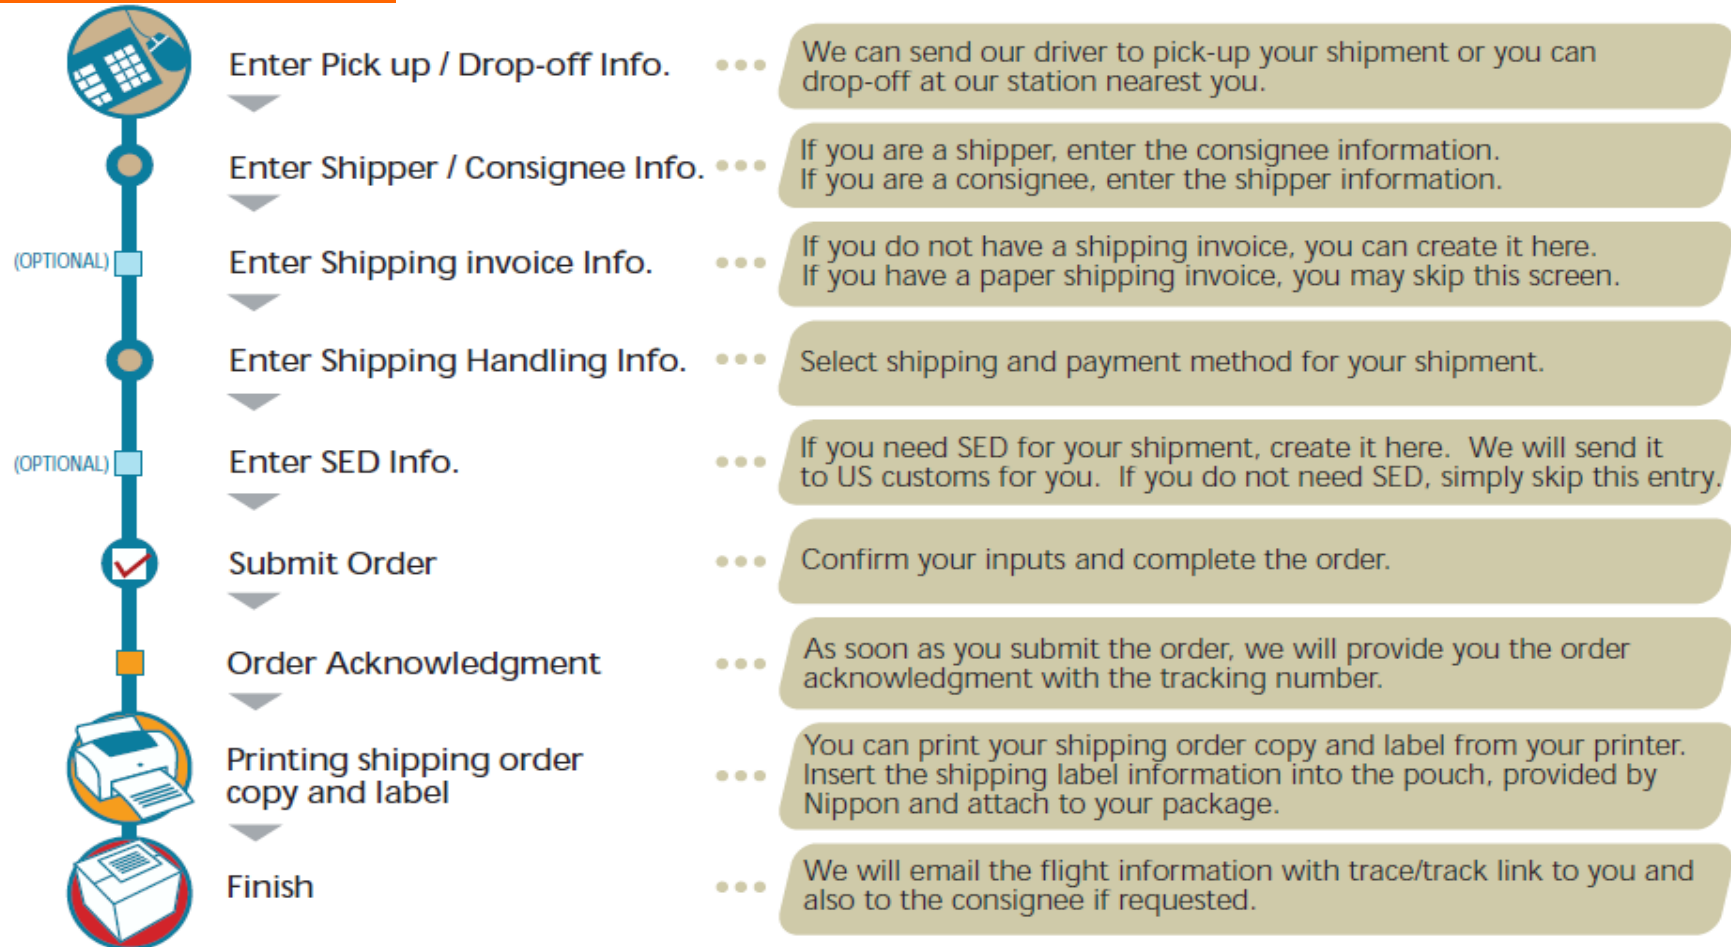

- Pick ups from various locations in the US can be coordinate through one centralized location on the web.
- Ability to store vital shipping information (pick up locations, consignee names, etc.) of each account in a master file.
- Allow you to create and print commercial invoices. Shipper's export declaration can be sent directly to US Customs.

<<Benefits>>

- Time Saver
 - Save your valuable time and money by eliminating ordering by telephone calls or emails.
 - No repetitive data entry. Average order processing time is 15 seconds.
- Convenience
 - Cargo Intelligence is available 24/7 free of charge.
- Streamlined Process
 - Once the shipping information is entered in WEBSLI, the data is forwarded to the parties involved in the transaction.
