Nippon Express USA, Inc. Fuel Surcharge

The Land Freight Fuel Surcharge is calculated by using the US Department of Energy's average diesel fuel prices (<http://www.eia.gov/petroleum/gasdiesel/>). The surcharge goes into effect on the Tuesday following the diesel fuel price released every Monday. The FSC will remain in effect through the following Monday.

Effective Date: **6/8/2021**

LTL – **23.0%** of line haul (including XB3300 Borderless Truck)

FTL - **\$0.43** per mile

IMDL – **24.0%** of line haul (including XB3300 Borderless Rail)
