

CARGO CONSOLIDATION TO

MONTERREY

NIPPON EXPRESS RATED NO. 1* IN SERVICE QUALITY

Nippon Express maintains a high-speed network of warehouses and trucks plus the world's most advanced distribution network. We received the No. 1* rating in a 2008 ILQI survey of shippers regarding service quality.

NIPPON EXPRESS launches another innovative supply chain solution developed to serve the **IMMEX** community of businesses.

HIGH-VELOCITY OPTION designed by utilizing an exclusively operated network of air cargo and ocean cargo container freight stations (CFS) with their motor freight service to transport goods from Asia to key markets in Mexico.

NIPPON EXPRESS MONTERREY DISTRIBUTION CENTER offers a wide menu of services including cross-dock operations, flexible warehousing options and value-added logistics services (light assembly, product testing, order fulfillment, labeling).

MONTERREY DISTRIBUTION CENTER

*ILQI (the International Logistics Quality Institute) selected Nippon Express as No. 1 in the US in a 2008 service quality survey published in *Logistics Management Magazine*.

CARGO CONSOLIDATION TO MONTERREY

With the full visibility of freight in transit and **RELIABLE SHIPPING PERFORMANCE** our customers in the IMEX manufacturing and retail sectors can utilize **NIPPON EXPRESS** expedited **OCEAN AND AIR SERVICE OPTIONS** in order to minimize the stock outs and get rid of any shortfalls
